REPORT Of The SELECTMEN

REPORT OF THE SELECTMEN OF JAFFREY

The Board of Selectmen of the Town of Jaffrey is listing below a short resume of its activities during the year just ended, in order that it might acquaint the people of this community some of their problems, projects, and other undertakings they participated in.

BUDGET. The Budget Committee met with the Selectmen and the department heads and considered their 1964 budget requests. A public meeting followed by an executive meeting of the committee was held in the Jaffrey Town Offices with a final 1964 budget estimate as shown further along in this report.

TAX MAP. Much progress has been made on the tax map; and this work will be exhibited at the March 10, 1964 Town Meeting so that the public may familiarize themselves with the painstaking detail and labor involved in such a project. This map when completed, will serve as a guide for future Boards of Selectmen and will assist them in their task of assessing property in this community.

TAX RATE. The tax rate was lowered from \$5.30 to \$5.20 per \$100.00 valuation. The property reappraisal which was to have been done by the State Tax Commission during 1963, had to be postponed until 1964 as other communities experiencing higher tax rates than Jaffrey had to be reappraised before this community could be done. The latest information received from the State Tax Commission leads the Selectmen to believe that this project will commence shortly after the coming of spring.

TOWN ROAD AID CONSTRUCTION. This project was done on the road leading from Jaffrey to the Peterborough town line beginning near the C. R. Lamson residence.

SIDEWALKS. The Main Street sidewalk reconstruction had to be delayed this past year due to the injury of one of the town employees. However, with good luck this work will be completed during 1964. Other sidewalks will be either repaired or reconstructed.

STREET SIGNS. Street signs were erected on some of the outlying roads of this community. It is hoped that with the request being asked for during 1964, this will complete the program.

PLOWING OF DRIVEWAYS. The plowing of the driveways was again handled on a sub-let basis during the year as it had proven satisfactory during the past season. This method leaves all the town trucks and equipment to concentrate on the opening of the roads. The fee was raised to \$20.00, as it had been necessary to make an additional assessment during 1962, and it is greatly hoped that this will not prove necessary during this winter season.

TOWN OFFICE BUILDING. The grounds around the building were landscaped in accordance with approval of the Town Meeting of 1963. This has greatly enhanced the general appearance of the building. The downstairs hallway and restrooms were redecorated and given two coats of paint as there was a great need for redecoration.

OLD MEETING HOUSE. The Old Meeting House in Jaffrey Center was painted on the exterior, but the refinishing of the clock faces had to be postponed until this year.

AETNA STREET INTERCEPTOR. This project was completed and put into operation during the fall of 1963. It now serves the Blake Street area and also the Aetna, Wheeler and Lawrence Street areas as well.

ADDITIONAL SEWER CONSTRUCTION. It is hoped that the proposed sewer construction as being asked for in the 1964 warrant will be given the approval of the voters, as it is part of the long-range program for sewage disposal in the Town of Jaffrey. This proposed sewage disposal construction will help to alleviate some of the critical areas which are in dire need of sewage disposal construction.

LEGAL ACTIONS. The Town of Jaffrey through its Selectmen, was involved in litigation during the past year; but this litigation has been terminated and it is anticipated that the year 1964 will be a quiet one as far as legal actions are concerned.

SET-BACK ORDINANCE. The 30 foot set-back ordinance, as a result of a decision of the Superior and Supreme Courts has proven to be legal and that it will hold up in a court of law. The Selectmen now feel that this ordinance will be accepted in the future without question as to its legality.

NEW INDUSTRY. During the past year the Board of Selectmen has endeavored to cooperate with the State Industrial Commission to see if it would be possible for new industry to locate in this town. It is still hoped that as a result of the inquiries made by them of the Commission, that sometime in the near future they may secure new industry. A list of potential building sites that are available in this community has been given the office in Concord for insertion in their report which is sent out to prospective industrial site seekers.

The Board of Selectmen wishes at this time to express its appreciation to the voters and all who have in any measure assisted them in the fulfillment of their obligations as Selectmen; and that they will continue to receive this support in the future.

J. OREN BELLETETE
LESTER F. HAMMOND
ALFRED J. CHRISTIAN
Selectmen of Jaffrey

TOWN MEETING WARRANT

STATE OF NEW HAMPSHIRE

TO: The Inhabitants of the Town of Jaffrey, in the County of
Cheshire, qualified to vote in Town Affairs:

You are hereby notified to meet at the Conant High School Auditorium on Stratton Road in Jaffrey Village, in said Town of Jaffrey, on Tuesday the Tenth day of March next, at nine o'clock in the forenoon (polls to remain open until six o'clock in the afternoon) to act upon the following subjects:

1. To bring in your votes for the election of Delegates-at-Large, Alternate Delegates-at-Large, District Delegates and Alternate District Delegates to the National Conventions of the Democratic and Republican parties, to be held for the purpose of nominating candidates for President and Vice-President of the United States.

2. To choose Two Delegates to the Constitutional Convention.

3. To choose a Town Clerk, Selectman for three years, Tax Collector and all other necessary Town Officers.

4. To hear all reports except that of the Budget Committee and act thereon.

5. To hear the report of the Budget Committee, and to raise and appropriate such sums of money as may be required for the support of the poor, building and repairing of highways and bridges, fire and police departments, Memorial Day, street and building lighting, and all other Town Charges.

6. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

7. To see if the Town will vote to authorize the Selectmen to enter into a contract or contracts for the construction of a small ejector station off of River Street near Charlonne Street to pump the sewage from the septic tank to the River Street Sewer and to build a pumping station and force main off the Old Peterborough Road near Cross Street together with the connections from the pumping station to the two septic tanks on North Street for a sum not to exceed Eighty Thousand (\$80,000.00) Dollars, forty per cent or Thirty-Two Thousand (\$32,000.00) Dollars of which is to be paid by the Town and sixty per cent or Forty-Eight Thousand (\$48,000.00) Dollars to be paid for by contributions from Federal and State governments and to raise and appropriate a sum of Eighty Thousand (\$80,000.00) Dollars by the issuance of serial notes and bonds upon the credit of the Town for the payment of the Town's share of said contract in accordance with the provisions of the Municipal Finance Act, Revised Statutes Annotated, Chapter 33 of the Laws of the State of New Hampshire, and to authorize the Selectmen to accept all grants and aid from Federal, State and other sources for the completion thereof.

8. To see if the Town will vote to authorize the Selectmen to enter into a contract or contracts for the extension of the

Cretia Brook Interceptor from its present terminus on East Main Street easterly along East Main Street to a point beyond the Hillcrest Road, and then southerly to intercept the flow into the existing septic tank off of New Squantum Road, for a sum not to exceed Seventy Thousand (\$70,000.00) Dollars, forty per cent or Twenty-eight Thousand (\$28,000.00) Dollars of which is to be paid by the Town and sixty per cent or Forty-two Thousand (\$42,000.00) dollars to be paid for by contribution from Federal and State governments; and to raise and appropriate a sum of Seventy Thousand (\$70,000.00) Dollars by the issuance of serial notes and Bonds upon the credit of the Town for the payment of the Town's share of said contract in accordance with the provisions of the Municipal Finance Act, Revised Statutes Annotated, Chapter 33 of the laws of the State of New Hampshire, and to authorize the Selectmen to accept all grants and aid from Federal, State and other sources for the completion thereof.

9. To see if the Town will vote to authorize the Selectmen to enter into a contract or contracts for the acquisition of land and for the construction of a building or buildings to provide housing for the Highway and Water Departments and equipment, materials and offices for a sum not to exceed Forty Thousand (\$40,000.00) Dollars and to raise and appropriate a sum of Forty Thousand (\$40,000.00) Dollars by the issuance of serial notes and bonds upon the credit of the Town for all or any portion thereof in accordance with the provisions of the Municipal Finance Act, Revised Statutes Annotated, Chapter 33 of the Laws of the State of New Hampshire, and to authorize the Selectmen to enter into a contract with the Jaffrey Water Works for the use of one-fourth of said premises in consideration of amortized payments of one-fourth of the total cost of the same; and to authorize the Moderator to appoint a committee of five members (composed of the existing members of the Highway Garage Committee if available and willing to serve) to act as a Highway Garage Building Committee to aid the Selectmen in arranging for and supervising the construction of said project.

10. To see if the Town will vote to authorize the Selectmen to sell and convey to the highest bidder all right, title and interest of the Town in and to the following parcels of land with the buildings thereon; 1st the land of the Town situated on Blake Street, now occupied in part by the highway department with buildings thereon; 2nd the parcel of land and rights incident thereto with the buildings thereon adjacent to the Arthur Coll, Mario Dedo property and the Town of Jaffrey; and the parcel of land on the southerly side of Main Street, adjacent to Sawtelle property and Public Service right-of-way together with the building thereon.

11. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for a State Aid Reconstruction Project in said Town of Jaffrey on Route 124, continuing where present project left off towards Jaffrey Center; distance to be determined by State Engineers, on condition that the State will allocate the sum of \$10,000.00, total cost of this project to be \$15,000.00. (By Petition).

12. To see if the Town will vote to authorize the Selectmen

to sell and convey to the highest bidder, all right, title and interest of the Town in and to the so-called Poole land extending from the Ark Road, so-called, to Thorndyke Pond, being said land as acquired by the Town under the will of the late Alice Poole, or take any other action in connection therewith.

13. To see if the Town will vote to raise and appropriate a sum of money not to exceed \$16,000.00 for the purpose of purchasing a fire truck for the Jaffrey Fire Department to replace the 1932 Seagraves, which will be sold by sealed bids to the highest bidder, said purchase of new truck to be made under the supervision of the Board of Selectmen and the Board of Fire Engineers. (By Petition).

14. To see if the Town will vote to raise and appropriate a sum of money not to exceed \$865.00 for the purpose of trading the present 1963 Plymouth Cruiser tow and a new cruiser for the Police Department, or take any action relating thereto.

15. To see if the Town will vote to raise and appropriate the sum of \$600.00 for the purpose of contributing a portion of the Blue Cross-Blue Shield protection coverage on full-time employees of said Town; said plan to provide greater coverage and benefit to Town Employees as approved by the N. H. Municipal Association.

16. To see if the Town will vote to permit the Tax Collector to accept payment on account of the annual property tax in multiples of not less than \$10.00 in accordance with the provisions of Chapter 36, Section 1, R.S.A. 1963.

17. To see if the Town will vote to change the method of the collection of poll tax penalties as it now reads: "interest on Poll Taxes at 6% after Dec. 1st"; to read: "Penalty on Poll Tax, 20¢ after Dec. 1st."; said change would correspond with methods of collection used in other communities in this State.

18. To see if the Town will authorize the Selectmen to dispose of land acquired by the Town through Tax Collector's Deed, by public auction to be held by them at the Jaffrey Town offices, on date and time to be duly advertised by them, or take any other action relating thereto.

19. To see if the Town will vote to raise and appropriate the sum of \$2,500.00 for the purpose of continuing the Tax Map now being prepared by the Town.

20. To see if the Town will vote to determine and appoint the salaries of the Justice, Associate Justice, Special Justice and the Clerk of the Jaffrey District Court as required by Chapter 331, of the Laws of 1963.

21. To see if the Town will vote to reopen the following road or highway closed by gates and bars pursuant to the vote of the 1926 Town Meeting described as follows: "From North of A. D. Gordon, Jr., summer residence to E. T. McCoy's," said section of the highway now being described

as extending from land of George P. Duncan and running along land of The Ark, Inc., to land of the Estate of Karl Compton. (By Petition).

22. To see if the Town will vote to raise and appropriate the sum of \$400.00 to be used for Civil Defense purposes.

23. To see if the Town will vote to raise and appropriate the sum of \$44.88 for the purpose of installing and defraying the cost of two street lights on Old Turnpike Road, near the residences of Charles Griswold and Paul O'Meara. (By Petition).

24. To see if the Town will vote to increase the salary of the Bookkeeper of the Trustees of Trust Funds from \$200.00 to \$500.00 annually.

25. To see if the Town will vote to raise and appropriate the sum of Four Hundred Twenty-eight dollars and fifty two cents (\$428.52) for the purpose of paying the annual cost of a changeover in lighting to 11000 lumen lights on Stratton Road to Conant High School and on River Street from Main Street to School Street.

26. To see if the Town will vote to increase the salary of the Town Treasurer from \$150.00 to \$500.00 annually.

27. To see if the Town will vote to raise and appropriate a sum of money not to exceed \$5,000.00 for the purpose of extending the present sewage system now serving Peterborough Street, to include Pinecrest and Ridgcrest Roads, or take any other action relating thereto. (By Petition).

28. To see if the Town will vote to raise and appropriate the sum of Three Hundred (\$300.00) Dollars for the purpose of installing street signs on various streets or roads in the Town of Jaffrey.

29. To take up any other business that may be properly brought before the meeting.

30. To vote on the question: "Shall Sweepstake Tickets be sold in this Town?"

31. Shall the provisions of Chapter 287 of the New Hampshire Revised Statutes Annotated relating to games of Beano be accepted in this Town?

Given under our hands and the seal of the Town of Jaffrey, this Twenty-First day of February 1964.

POLICE DEPARTMENT'S REPORT

January 15, 1964

To the Honorable Board of Selectmen:

Gentlemen:

The Chief of Police herewith submits his annual report for the year 1963.

The report shows a sharp increase in overall police activities. With crime on the increase throughout the country we in the rural areas are feeling the effect of this trend. A total of 736 complaints were investigated by your department, an increase of 145 over last year. We investigated 264 other complaints which involved children, an increase of 100 over last year. Six juveniles were brought into Juvenile Court. Like other towns and cities a large percentage of the juvenile complaints involved Malicious destruction of property.

Automobile accidents also increased during the past year, we investigated 69 accidents as compared to 49 last year. On the brighter side, we once again got through the year without a fatal accident. We urge all citizens to drive carefully. Motor vehicle violations again led the number of arrests made by the department, 121 persons were brought in for motor vehicle violations, 16 of these for operating under influence of liquor.

Patrolman Arthur Rivard was promoted to Sergeant during the summer and Patrolman Kevin Rivard attended a course of instructions at St. Anselm College during the Spring.

A two way radio was installed during the summer, we are now in communication with the County Sheriff Department and the New Hampshire State Police.

Special officers William P. Smith and Donald Johnson resigned from the force during the year.

/s/ ARTHUR H. RIVARD
Dog Constable

ABSTRACTS OF TOWN MEETINGS

ABSTRACT OF BUSINESS TRANSACTED AT THE ANNUAL TOWN MEETING

March 12, 1963

Art. 1. ELECTION OF OFFICERS. The following officers were elected as a result of the votes cast at the meeting:

Town Clerk - Albert J. Morf
Selectmen for Three Years - Warren C. Ruffe, Joseph T. Griffin, Lucien E. Vigneault
Town Treasurer - Albert J. Morf
Highway Agent - Richard H. Vigneault
Chief Engineer, Fire Department - Raymond J. Desmarais
Tax Collector - Raymond J. Desmarais
Water Commissioner - Three Years - Raymond J. Desmarais

Humiston Park Commissioner, Three Years - Joseph T. Griffin

Overseer of Public Welfare - Lucien E. Vigneault

Town Auditors - Roger R. Smith and Theodore R. A. Lambert were nominated as Auditors and the Town Clerk was instructed by the Meeting to cast one ballot for their election.

Trustees of Trust Funds - Warren C. Ruffe was renominated as Trustee of Trust Funds for the ensuing three years, and the Town Clerk was instructed to cast one ballot for his election.

The Moderator then made the following appointments:
Member of Budget Committee - Leo A. J. Forcier to serve for a five year period to expire in 1968.

Zoning Board of Adjustment - Philip M. Darling to a five year term to expire in 1968.

Other Town Officers. It was moved and carried "That the Selectmen appoint all other Town Officers necessary for the administration of town affairs."

Art. 2. REPORTS. It was moved and carried: "That all reports except that of the Budget Committee be accepted as printed in the Annual Town Report for 1962."

Art. 4. BORROWING MONEY IN ANTICIPATION OF TAXES. It was moved and carried: "That the Selectmen be authorized to borrow in anticipation of Taxes."

Art. 5. SALE OF OBSOLETE TOWN HIGHWAY DEPARTMENT EQUIPMENT. It was moved and carried: "That the Town vote to authorize the Highway Agent, subject to approval by the Board of Selectmen to dispose of any and all obsolete highway equipment through sale of same, offering items for sale in Town of Jaffrey first, and that the Selectmen be authorized to use the proceeds for the purpose of purchasing new equipment for highway department use, said authority to apply to the fiscal year 1963-1964, and to the items specified on schedule filed herewith the Town Clerk, and not otherwise authorized by vote of this meeting."

Art. 3. REPORT OF BUDGET COMMITTEE. It was moved and carried: "That the Town raise the sum of \$185,311.12, but appropriate the sum of \$191,831.12 as the Budget Committee Estimate for current expenditures for the year 1963."

Art. 6. AUTHORIZATION TO SPEND 10% OF HIGHWAY, POLICE AND FIRE DEPARTMENT BUDGET APPROPRIATIONS FOR EQUIPMENT. It was moved and carried that this article be passed over.

Art. 7. SIDEWALK PLOW. It was moved and carried: "That the Town raise and appropriate the sum of \$800.00 and authorize the Selectmen of Jaffrey to expend from the Capital Reserve Fund (Highway Equipment) the sum of \$3,000.00 for the purpose of purchasing the sidewalk plow now being used by the highway department on a rental basis."

Art. 8. REAPPRAISAL BY STATE TAX COMMISSION. It was moved and carried: "That the Town of Jaffrey instruct the Selectmen to request the assistance of the State

Tax Commission in appraising all lands and buildings and raise and appropriate the sum of \$10,500.00 in payment thereof."

Art. 9. BATH HOUSE AT LAKE CONTOOCCOOK. It was moved and carried; "That the Town vote to authorize the Board of Selectmen to expend the amount of \$2,600.00 together with any accrued interest, now on deposit at the Monadnock Savings Bank, representing the amount of funds received by said Town of Jaffrey for the loss by fire of the bathhouse at Lake Contoocook, for the construction of a new bathhouse at Lake Contoocook."

Art. 10. TAX MAP. It was moved and carried; "That the Town vote to raise and appropriate the sum of \$2,500.00 for the purpose of continuing work now being done on the Tax Map for said Town of Jaffrey as approved by the March 1960 Town Meeting vote."

Art. 11. STATE AID RECONSTRUCTION - ROUTE #124. It was moved and carried; "That the Town vote to raise and appropriate the sum of \$5,000.00 for a State Aid Reconstruction Project in said Town of Jaffrey on Route 124, beginning at the intersection of Highland Avenue and Main Street, and running towards Jaffrey Center a distance of 0.4 miles; on condition that the State will allocate the sum of \$10,000.00, total cost of this project to be \$15,000.00."

Art. 12. STREET SIGNS. It was moved and carried; "That the Town raise and appropriate the sum of \$500.00 for the purpose of continuing the program of erecting street signs on various streets of said Town of Jaffrey."

Art. 13. CRUISER FOR POLICE DEPARTMENT. It was moved and carried; "That the Town of Jaffrey raise and appropriate a sum of money not to exceed \$1,000.00 for the purpose of trading in the present police Cruiser towards a new one."

Art. 14. LANDSCAPING - TOWN OFFICE BUILDING. It was moved and carried; "That the Town vote to raise and appropriate a sum of money not to exceed \$250.00 to be used to landscape the lawn immediately in front of the Town Office Building, this project to be carried out under the supervision of the Selectmen."

Art. 15. SOUTHWESTERN NEW HAMPSHIRE FIRE MUTUAL AID SYSTEM. It was moved and carried; "That the Town vote to ratify and approve and confirm the action of our fire department in joining our town to the Southwestern N. H. District Fire Mutual Aid in 1958, and in agreeing that our fire department may give and receive outside aid as provided for in N. H. Revised Statutes Annotated, Chapter 154, as amended."

Art. 16. PAINTING OLD MEETING HOUSE AND TOWER AT JAFFREY CENTER. It was moved and carried; "That the Town vote to raise and appropriate a sum of money not to exceed \$2,000.00 for the purpose of painting the Old Meeting House and Tower at Jaffrey Center."

Art. 17. NEW STREET LIGHTS - MAIN STREET FROM CHARLONNE STREET INTERSECTION TO HIGHLAND AVENUE INTERSECTION. It was moved and carried; "That the Town vote to raise and appropriate the sum of \$339.72 for the purpose of removing seven 600 Lumen lights and installing six 11000 Lumen lights (mercury) on Main Street from Charlonne Street to Highland Avenue."

Art. 18. NEW STREET LIGHTS - RIVER STREET. It was moved and carried; "That this article be passed over."

Art. 19. SALE OF TOWN LAND - BROOK STREET. It was moved and carried; "That the Town vote to sell to Donald and Marie Baird, the following described piece of land now owned by said Town of Jaffrey, and abutting on land of said Donald and Marie Baird for a sum of money not less than \$50.00 and described as follows:

"A tract of land starting from a stake on the South side of Brook Street, 66 1/2 feet in a Southeasterly direction to a stake, thence in a Southwesterly direction 64 feet to a corner of land now owned by Donald and Marie Baird, thence East 104 feet to the Town right-of-way road, thence 100 feet North to a point that is 70 feet Northwesterly to the South side of Brook Street' and that the Selectmen be authorized to convey said property by appropriate deed of the Town."

Art. 20. DISCONTINUANCE OF ROAD - OFF OLD FITZ-WILLIAM ROAD. It was moved and carried. "That the Town pass over this article."

Art. 21. STREET LIGHT - MAIN STREET, JAFFREY CENTER. It was moved and carried; "That the Town vote to raise and appropriate the sum of \$23.50 for the purpose of having a street light installed on Main Street in Jaffrey Center, midway between Gilmore Pond Road and the residence of Mrs. George A. Burgoyne."

Art. 22. RADIO AND GENERATOR - CIVIL DEFENSE. It was moved and carried; "That the Town vote to raise and appropriate the sum of \$369.25 for the purpose of purchasing a radio and generator for civil defense purposes, said sum of money requested to represent one-half of the cost to be borne by the State of New Hampshire."

Art. 23. HIGHWAY GARAGE - COMMITTEE TO STUDY AND REPORT. It was moved and carried; "That the Town vote to have a committee of five citizens of this Town appointed by the Board of Selectmen, to look into the matter of the relocation and construction of a new highway garage, and to make a report at the next regular town meeting on its recommendation as to the cost, location, size and any other pertinent information."

Art. 24. DISCONTINUANCE OF ROAD - NEAR ANNETT LUMBER COMPANY. After discussion it was moved and carried; "That Article 24 be laid on the table until an adjournment of this Town Meeting at 7:30 P.M., on Monday, May 20, 1963."

Art. 25. OTHER BUSINESS WHICH MAY BE BROUGHT BEFORE THE MEETING. The following resolution was offered and accepted by the meeting: "Resolved: It is the sense of the Meeting that the Selectmen be required to study the question of the so-called 'Poole land' on Thorndyke Pond and report to the voters at the next Annual Meeting."

Art. 26. BEANO. The vote on the question of Beano which appeared on the ballot was as follows:

Yes -	610
No -	217
	827

It was then moved and carried: "That the meeting be adjourned until May 20, 1963, at 7:30 P.M."

The Meeting adjourned at 8:30 P.M.

A TRUE RECORD ATTEST:
/s/ Albert J. Morin
Town Clerk, Jaffrey, N. H.

The vote being in the affirmative, the Moderator called the motion as carried.

A further motion was made and carried: "That a committee of fifteen (15) be appointed for the purpose of reporting to the Selectmen within ninety (90) days, giving all possible solutions to the traffic and road layout problems in the vicinity of the Squantum Road triangle and that said Committee be appointed by the Moderator."

The Meeting then adjourned at 8:35 P.M.

A TRUE RECORD ATTEST:
/s/ Albert J. Morin
Town Clerk, Jaffrey, N. H.

SPECIAL TOWN MEETING

May 20, 1963

ADJOURNED TOWN MEETING

May 20, 1963

The meeting was called to order by the Moderator, Jason C. Sawyer, who stated that it was an adjourned meeting of the March 12, 1963 Annual Town Meeting, at which time it had been voted to postpone action on Article 24 until this date. He then read the article as it had appeared in the Town Meeting Warrant:

"Article 24. To see if the Town will vote to discontinue the following road and to allow ownership of same to revert to the Annett Lumber, Co., Inc., 'From where said road begins at Squantum Road at the Annett Lumber Company Plant, and extending Northeasterly to a point where it joins the road coming off Old Turnpike Road and going over to Squantum Road towards the residence of Harold G. Sands'."

Both a majority and a minority report were submitted by the Committee appointed by the Moderator on March 12, 1963 to study the question of the advisability of discontinuing or retaining the said road.

It was moved and seconded: "That the Town vote to discontinue the following road and to allow ownership of same to revert to the Annett Lumber Co., Inc., 'from where said road begins at Squantum Road at the Annett Lumber Company Plant, and extending Northeasterly to a point where it joins the road coming off Old Turnpike Road and going over to Squantum Road towards the residence of Harold G. Sands'."

After discussion on this motion, the Moderator called for a vote, and there being some doubt about the vote, he then called for a standing vote with the result as follows:

YES -	79
NO -	76

The Moderator read the article as it appeared in the Warrant:

"To see if the Town will vote to modify, amend, rescind or take any action relating to the administration and enforcement of a certain ordinance adopted at the annual Town Meeting on March 8, 1960, and ratified at the annual Town Meeting on March 13, 1962, viz:

"Every dwelling house, residence or accessory building hereafter erected in the Town shall have a minimum setback of thirty feet from any public highway'."

It was moved and seconded: "That this meeting be adjourned". After a vote the motion did not carry.

It was moved and carried: "Resolved: It is the sense of this meeting that a hearing before the Board of Adjustment will constitute a fair and reasonable solution to the so-called Heffernan case. And be it further resolved: It is the sense of this meeting that sound planning, while not easy to accomplish, is a vital and necessary function for any growing community".

It was then moved and carried: "That this article be passed over".

There being no further business, a motion was made and carried: "That the meeting be adjourned".

The meeting adjourned at 9:15 P.M.

A TRUE RECORD, ATTEST:
/s/ Albert J. Morin
Town Clerk, Jaffrey, N. H.

Town of Jaffrey

HIGHWAY AGENT'S REPORT

For the Year Ending December 31, 1963

TO: The Citizens of Jaffrey.

Having completed my second term as your elected Highway Agent, I am submitting my annual report of receipts and expenditures, together with a resume of the activities of the department during the past year.

Town Road Aid Construction. The road leading from the C. R. Lamson residence to the Jaffrey-Peterborough town line was the location for the TRA program. The road was widened and the course altered in places to alleviate some of the traffic hazards. The department is satisfied with this road and know that the road will now be used as an all-season road.

Sewers. No new sewer lines were constructed during the past year. However, several residences not previously connected now have been connected and have town sewage facilities. Much corrective maintenance work was done to existing sewers which had suffered from neglect during the past years. It is the opinion of the undersigned that a complete layout of sewers on maps containing information as to the location, depth, length, etc., be made, as there are not too many records available.

Wheeler Street. This project was completed and the road surfaced during the past year.

Town Construction. This construction was done on the road leading from Fitzwilliam Road to the residence of Herbert Ludlum. This road is now used on a year-round basis and had been badly in need of repairs for quite sometime.

Conant Cemetery. The roads around the cemetery were again resurfaced and other cemetery roads scraped and repaired.

Tarring. Several streets of the Town were resurfaced, as were several other places such as the Airpark runway.

Drainage Culverts. A culvert was installed on the Lake Contoocook-Rindge Road. There was a troublesome area where water would accumulate during the rainy season which was eliminated. Other culverts were also put in where needed.

Summer Maintenance. Brush was mowed along the roadside areas, and general cleaning up done along country roads. Ditches and culverts were cleaned and scraped.

Snow Removal. The practice of subletting the plowing of private driveways was continued again this year, as it had proved successful previously, leaving the highway department and its equipment free to perform its required duties.

Sidewalk Plow. The sidewalk plow purchased by the Town, has proven to be a good investment, and streets were cleared of snow with little time and effort.

Street Parking Area Markings. The parking areas of the Town and other traffic area designations were repainted this year.

Skating Rink. The skating rink area at Humiston Field was repaired this year to bring it into condition for use as repairs were needed.

Town Owned Equipment. At this the Highway Agent would like to go on record and make it known that he is of the belief that the Town should own all its equipment and not have to be dependent on renting equipment from private individuals. This would facilitate the Highway Agent's position and eliminate much unnecessary criticism and discussion of his operation.

I wish to express my appreciation for the cooperation given me in the discharge of my duties to the citizens of Jaffrey, highway department employees, Board of Selectmen, Water Department, Town Office employees, Police Department and all others who have assisted me in the discharge of my duties.

Respectfully,
RICHARD H. WILSON
Highway Agent

Highway Agent,
Town of Jaffrey, N. H.

Report of the HIGHWAY GARAGE Committee

INTRODUCTION

At the Annual Town Meeting of Jaffrey held on MARCH 12, 1963, IT WAS MOVED AND CARRIED:

"---that a committee of five be appointed by the Board of Selectmen to look into the matter of the possible relocation and construction of a new highway garage and to make a report at the next regular Town Meeting on its recommendations as to the cost, location, size and any other pertinent information."

Accordingly, the Selectmen, on April 15, 1963 appointed the following:

David Sawyer Chairman
Richard Bussiere
Leonard Krause
Ernest Pratt
Richard Wilson

This is the report of that committee.

THE NEED

Although, not specifically directed to do so by the action of Town Meeting, the committee felt it basic to its work to determine whether or not any clear need existed for a major relocation and/or construction of Town garage facilities. This it has attempted to do.

Early in the committee discussions, we recognized that it would be advantageous to group the Town Highway and Water Works Departments in a single building. As will be seen, this line of thought was carried through the entire committee work.

The Highway Department presently operates from three separate sites and four buildings.

- (1) A wood frame one story building (approx. 28' x 60'), located on Blake Street (Depot Square) serves as Department "headquarters". This building is in fair repair, although shabby in appearance. It is not insulated and is heated by an old wood furnace converted to burn oil and used as a space heater. The wiring system is sub-standard. Except for a toilet, the interior is open. There is no provision for an office. There is interior room for four trucks or similar equipment. Outside, there is no room available on the front (East) and six feet on the South for storage of equipment. A small storage area (60' x 30') is available in the rear. Some equipment is usually stored on the public right of way. A smaller wood frame one story storage building (the old jail) approx. (24' x 24') adjoins the above building. This building is in poor repair.

- (2) A wood frame one story storage building (approx. 24' x 40'), located on Main Street adjacent to residence of Homer Sawtelle, is used for storage of snow fences, snow plows, park benches, and similar items. The Water Works uses a portion for storage. The site is generally rectangular, having 73 feet in frontage and 52 feet in depth. This building is a shed with no foundation, and is in good repair except for the roof. Current road improvement by its front will necessitate that it be jacked up and moved back from the road at least 25 feet which would place the back of the building approx. on the rear property line. The front of the shed is now approx. 3' into the state of right of way. The area to the rear of the building is now used by the Highway Department to store snow fences, and the Water Works to store pipe and similar items. The Selectmen have received an estimate of \$1500.00 for moving this building.
- (3) A wood frame two story salt storage shed (approx. 24' x 40') is located in KK Village near the old dump site. It was built in 1962 and is in good repair. The building is in a Town-owned sand pit whose total area is about 28 acres.

The Water Works is working from these facilities:

- (1) A wood frame one story building (the Old Armory) (approx. 20' x 24') located off Main Street between the Park Theater and the Coll Block serves as the Department "Headquarters". The building is in general disrepair. The roof leaks. It is heated by a kitchen range. It has an open interior. There is no toilet. There is no provision for an office. Wiring is adequate.
 - (2) Adjacent to the above building the Water Works has a wood frame, two story storage building. These two buildings are reached by a 10' x 3' blind alley between the Theater and the Coll Block.
 - (3) Additional storage of Water Works material is maintained at the Highway Department Shed on Main Street.
- A review of the listed facilities and present Highway and Water Works operations lead us to the conclusion that Jaffrey is not now conducting these departments whose 1963 operations exceeded \$100,000.00 (and whose equipment value is over \$40,000.00) in a modern and business-like fashion. The three-way split of the Highway Department wastes many men and machine hours a year; heavy equipment moving in and out of Blake Street loses many more hours (as well as tying up and endangering other traffic); the main Highway Department building is too small and poorly laid out. Routine maintenance on Town Equipment is difficult, and major repairs can tie up most of the shop; equipment cannot be freely moved in and out of the building.

The Water Works has similar problems - the approach to their shop is hazardous, to say the least; their operation is split; their shop is ancient, inefficient and in poor repair. Neither department has an office or place to maintain or safe-guard operating records. Neither department has decent (or any) provisions for employee toilet, shower or locker

rooms; both main buildings are inefficiently heated; all buildings have insurance rates substantially above those to be expected for a modern building (\$12.80 thousand vs. 6.00 thousand.)

We conclude that because of the existing dispersion of buildings and sites and because of the general obsolescence of present facilities, Jaffrey does have a clear and immediate need for a modern, central garage and shop building to house its Highway and Water Works Departments.

THE BUILDING

In discussing the building, perhaps we should first say that the committee has not drawn specific plans although we have studied several sketches. We have, however, arrived at a set of general specifications which are detailed enough to outline what is needed and, with the sketches, arrive at an estimate of the cost involved.

We have envisioned a building that would fulfill the following minimum requirements:

1. Present an attractive appearance.
2. Provide necessary housing and shop area for equipment, each stall with an individual overhead door.
3. Provide employee facilities.
4. Provide office space.
5. Allow for future expansion.
6. Be practical in cost.

Logically, the building would be divided into two areas; the first would contain the office, locker-room, tool crib and furnace spaces; the second area would consist of the equipment and shop stalls. The following chart outlines the approximate space requirements.

Use	Floor Area (Square Ft.)	Remarks
Entryway	160'	Joint Use
Office	150'	Highway Dept.
Office	150'	Water Works
Locker-Room	200'	Joint Use
Tool crib and furnace	300'	Joint Use
3 ton International Truck	450' #1	Highway Dept.
2-1/2 ton International Truck	450'	Highway Dept.
Adams Grader	450'	Highway Dept.
1/2 ton Ford Pickup, Oliver sidewalk plow, salt augur, sewer augur, street striping, etc.	450'	Highway Dept. (Pickup belongs to Cemetery Dept.)
Maintenance	450'	Highway Dept.
Future Use #2	450'	Highway Dept.
1/2 ton Studebaker	450'	Water Works
Air Compressor, portable Welder, pump, etc.	450'	Water Works

TOTAL FLOOR AREA 4460'

- #1 - 450' equals one standard garage stall 30' x 15'.
#2 - The School Board has expressed an interest in renting one stall for storage of the District School Bus. The committee recommends that until such time as the Highway Departments require this additional space, it be rented for this purpose.

Inquiry at several contractors gives the following range of estimates concerning the construction of a building meeting the preceding requirements and having masonry floors and sidewalls:

\$29,640.00 to \$35,500.00 (median \$32,570.00)

THE SITE

A number of sites were visited and considered with the following requisites in mind:

1. Ample room for building and necessary outside storage.
2. Easy site preparation.
3. Good access to main roads and village center.
4. Opportunity to centralize activities.
5. Opportunity to display building.
6. Moderate land costs.

The choices narrowed to these locations:

1. Present garage site (Blake Street)
2. Town sand pit (KK Village)
3. Kathleen Fitzgerald land (South side Turnpike Road between School and Water Works land)
4. Jason Sawyer land (Sand bank North side Turnpike Road between Pauline Bartlett and Charles Griswold residences.)

Here are brief discussions of the various sites:

1. Present garage site (Blake Street) (Less than 1/4 acre).
Advantages: Good access to main roads and village center. Easy site preparations. No land costs.
Disadvantages: Insufficient room for building and necessary outside storage. Fails to centralize activities. Increases village traffic congestion.
2. Kathleen Fitzgerald land (7.9 Acres)
Advantages: Ample room; Good access to main roads and village center; Limited opportunity to centralize activities; Good opportunity to display building.
Disadvantages: Substantial site preparation costs; Only limited centralization of activities; High land costs (\$11,850)
3. Town Sand Pit (28 Acres)
Advantages: Ample room; Easy site preparation; Opportunity to centralize activities; No land costs.
Disadvantages: Poor access to main roads and village center; No opportunity to display building; Secluded location subject to vandalism and mischief.

4. Jason Sawyer land (6 Acres)

Advantages: Ample room; Easy site preparation; Good access to roads and village center; Complete centralization of activities (adjoins Town Sand Pit - Between Pit and Turnpike Road); Good opportunity to display building; Moderate land costs (\$6000); Upwards of 80,000 yards of gravel, sand and fill on site - alone nearly worth purchase price.

Disadvantages: Necessary land costs.

This committee recommends, the Jason Sawyer site as the logical location for a new highway garage and shop. FINANCE.

Total cost of this project is estimated as follows:

Land	\$6,000.00
Site preparation	500.00
Building (incl. professional fees)	34,000.00
TOTAL	\$40,500.00

The Board of Water Commissioners has voted:

"---in the event the Town of Jaffrey does build a consolidated garage and shop facility, comparable to that recommended by the 1964 Jaffrey Highway Garage Committee, the Water Works Department will participate in construction, maintenance and operating costs of said building in proportion to the use derived therefrom by the Department."

Inasmuch as the Water Works would use two of the eight stalls and a similar proportion of the office and other space, the committee recommends this proposal as fair and equitable for the Town.

Project construction costs would thus be divided:

Water Works	(25%)	10,125.00
To be appropriated by		
Town Meeting	(75%)	30,375.00
Total		40,500.00

The Town may choose either of two ways to raise its share of construction costs: Issuance of Bonds, or Prompt Payment.

Issuance of Bonds:

The Town's legal debt limit, 3% of gross evaluation, is now approx. \$241,601.00

Its bonded debt is currently (Dec. 31, 1963) 151,100.00

Borrowing Margin 90,501.00

Inquiry indicates that \$30,000.00 of 10 year bonds could be sold at a rate of approx. 3% per annum. Interest costs

would total \$4,950.00 at amortization of debt in 10 years. Issuance of bonds in this fashion would affect the tax rate #2 by an average of 43.7¢ a year for the 10 year period. Prompt payment:

By choosing to absorb the \$30,000 cost within one tax year, the Town would save \$4,950.00 in interest charges. However, there would be a one year rate #2 rise of about \$3.90 per thousand which would, in one year pay the total Town share of construction costs.

It may be noted here that the building of a central garage will render surplus to the Town's needs three of the old sites and buildings, (i.e. Sites on Blake Street, near theater and

near Sawtelle residence). These, the committee recommends be sold by sealed bids or by public auction and monies realized therefrom applied to the new building. This to be done as soon as feasible.

The committee favors issuance of bonds because of its stabilizing effect on the tax rate.

SUMMARY.

Jaffrey has a clear need for a modern and central garage and shop facility to house its Highway and Water Works Departments. We recommend that such a building be promptly built.

We recommend a one story masonry structure with adequate office facilities and a minimum of eight equipment stalls. We especially recommend care that this building be constructed and maintained to be an attractive addition to the community. We feel that the logical and most desirable site for such a building is on the Jason Sawyer land North of Turnpike Road and adjacent to Town Property.

We recommend that an appropriate amount of money be raised for this purpose by issuance of 10 year bonds.

David R. Sawyer
Richard R. Bussiere
Ernest J. Pratt
B. Leonard Krause
Richard H. Wilson
Highway Garage Committee

#1, 3% of gross evaluation.

#2 - This discussion is based on the current evaluation of property. Present revaluation by State Tax Commission assessors will change the figures but not the effect.

Town of Jaffrey

WATER WORKS

Report

For year ending December 31, 1963

SUPERINTENDENT'S REPORT

The Jaffrey Water Works Superintendent herewith submits his report for the year ending December 31, 1963.

At this time I wish to thank the Police and Highway Departments for the assistance given me in my work.

I also wish to thank the people of Jaffrey for the cooperation given me during the period of extreme water shortage during the past summer.

Respectfully,
Ernest E. Ouellette
Superintendent

Report of the **FOREST FIRE WARDEN and your DISTRICT CHIEF**

During the past year New Hampshire faced the greatest forest fire threat to its woodlands in more than sixty years. The continued drought brought home to our citizens, as never before, the potential threat of destructive fires to their beautiful and valuable forests, homes and livelihood. In true American tradition of meeting a common threat by volunteer effort, this fire danger was minimized by active prevention, patrol and a relinquishing of personal rights for the common good. It was the greatest demonstration of public cooperation ever experienced by those responsible for local and state fire control. The ready forces of volunteer fire services kept the losses low. For their effort and public response the general fire service expresses its heartfelt thanks for a job well done.

Prevention however, is not just an activity for the bad fire years. It must be practiced until it becomes a part of our public conscience--a habit. Just plain carelessness with fire causes too many of our fires.

The following practices and suggestions will help:

1. Always have a permit for outdoor burning and burn within the terms of the permit and in a safe place. Burn late in the afternoon when the wind is down or on rainy or damp days. Check your fire and if winds

develop extinguish it promptly.

2. Carry your rubbish to the public dump - its safer. A neglected backyard incinerator causes many fires.
3. Never discard lighted cigarette or match. Make this a year round habit regardless of the safety of your surroundings.
4. Children caused fires are now a major concern. Keep matches away from them and teach them to respect fire and not make it a subject of play.

Lets all join with "Smokey the Bear" and "Keep New Hampshire Green" and growing in 1964.

NUMBER OF FIRES AND BURNED AREAS IN 1963

<u>State Fires:</u>	873	Area-acres	2117
<u>District Fires:</u>	128	Area-acres	116

AIRPARK MANAGER'S RESUME

Traffic at the Airpark continues to increase slowly. Major local users are D. D. Bean & Sons Co., N. H. Ball Bearings and Electro-Pak.

Maintenance costs were high this past year because of two projects which should not recur for several years.

1. All paved surfaces were sealed in July at a total cost of \$1183.71. Work was done under the supervision of the highway agent. Next application will be due in three or four years.
2. The South approach zone was sprayed for brush control in July at a cost of \$220.00.

DAVID R. SAWYER
Airpark Manager

Your CIVIL DEFENSE DIRECTOR Reports

The Civil Defense effort in Jaffrey during the year 1963 has produced the following results:

I. The Jaffrey Police Department has been supplied with a new two way radio for the cruiser.

II. The Town Office Building has been equipped with a stand by generator.

III. Conant High School, Jaffrey Grade School and St. Patrick School have been marked as Fallout Shelters. These buildings, since being marked, have been found sub-standard in Protection Factor and need improvement before they can be stocked and used as shelters.

IV. The Radeff teams, William Hotin, Chief, have periodically checked the Radiological equipment and sent reports to State Headquarters.

V. The Communications Unit, Homer Sawtelle, Chief, has been working on plans for an improved system of warning and communications which will be put into operation if funds become available.

Respectfully submitted,
/s/ Charles W. Bacon
Director

Town of Jaffrey TREE WARDEN'S REPORT

Year Ending - December 31, 1963

TC The Board of Selectmen,
Town of Jaffrey,
Jaffrey, N. H.

40.00

July 12 1963 - Richard M. Letourneau - Removal of
tree near Sands residence in Squantum
Village

22.00

Aug. 11 Richard M. Letourneau - Removal of tree
in Squantum Village near King Mfg. Co.

25.00

Aug. 29 Richard M. Letourneau - Removal of tree
in Squantum Village - near Gould and
Jones residence

25.00

Several diseased trees were cut and removed around the Town during the past year, as shown in the above report. The decision was made because of the removal of trees, which were not safe to stand, but they were the very bad condition and posed a threat from falling branches.

It was also planned to do some work during the year 1963, but due to the business of the time, it was decided to postpone this project until 1964.

The budget as proposed for the year 1964 reads \$700.00. An explanation of the increase is as follows: 1963 Budget was \$500.00 of which we spent \$214.00 on completed work.

We have a contract agreement of \$200.00 for the removal of eight more trees. When this job is completed the payment of \$200.00 will complete last year's expenditures, leaving the usable budget for 1964 at \$500.00.

At this time I wish to thank everyone for the cooperation given me as Tree Warden of this community.

Respectfully,
Alfred P. Sawyer
Tree Warden

AUDITOR'S CERTIFICATE

February 15, 1964

We, the undersigned of the Town of Jaffrey, New Hampshire, do hereby certify that we have carefully examined the reports and accounts of the Selectmen, Town Treasurer, Town Clerk, Trustees of Trust Funds, Tax Collector, Overseer of Public Welfare, Chief of Police, Memorial Day Committee, Road Agent, Treasurer of Jaffrey Water Works, Conant Indigent Fund, Treasurer of Jaffrey Public Library, Trustees of the Alice Poole Fund, Municipal Court, Conant Cemetery Trustees, Jaffrey Airpark, Snow Removal Account, Amos Fortune Fund, and find them correct in all respects to the best of our knowledge and belief.

We recommend that Trust Funds such as the Amos Fortune Fund, and trust funds of the Jaffrey Public Library be placed in the care of the Town Trustees of Trust Funds, unless it is specified to the contrary in the various deeds of Trust. This is in accordance with the following New Hampshire statutes; RSA 31:25 and RSA 202:10.

We recommend that the Town insert an Article in the Town Warrant, for a forthcoming Town Meeting, voting to accept all

such Trust Funds received by the Jaffrey Public Library which may not have been so voted. This Article to be framed by the Town Counsel.

Roger R. Smith
Theodore R. Lambert
Auditors
Town of Jaffrey

NOTE: Because of the date of the receipt of the above report, the Selectmen did not deem it desirable to submit an article on the above subject for the 1964 Annual Meeting, but felt that the subject should be considered with the Library Trustees, the Trustees of Trust Funds and other interested parties and if action is deemed desirable, to present an article for consideration at the 1965 Town Meeting. The present system has been in existence for many years.

J. OREN BELLETETE
LESTER F. HAMMOND
ALFRED J. CHRISTIAN
Selectmen of Jaffrey

B. JAFFREY NO-SCHOOL SIGNAL

In case of emergency when it seems inadvisable to have schools in session on any day, the No-School Signal will be given by sounding the signal on the fire alarm system at 7:30 a.m. It will also be announced over radio station WBZ, WKNE, and WKBK at the same time approximately.

Parents and pupils are urged to depend upon the fire signal, T.V., or radio for no-school notices. Telephone operators are no longer able to assist in giving no-school information.

C. CALENDAR

1964

April 24 Schools close -- Spring Vacation

May 4 Schools reopen

D. REPORT OF DISTRICT CLERK

Annual Meeting School District of Jaffrey

March 11, 1963

Article 1. Elected Jason C. Sawyer, School District Moderator.

Article 2. Elected Myrtle J. Hazleton, School District Clerk.

Article 3. Elected Leon H. Hunt and James A. Sullivan, Members of the School Board, School District of Jaffrey, for three years.

Article 4. Elected Lawrence W. Brown, School District Treasurer.

Article 5. It was voted that the salaries of the District Officers for the ensuing year be as follows:

Each School Board Member	\$50.00
Treasurer	50.00
Clerk	5.00
Moderator	5.00
Each Auditor	20.00
Each Ballot Clerk	5.00

Article 6. It was voted that the reports, as printed, be accepted and placed on file with the Clerk.

Article 7. It was voted that the Auditors chosen at the Annual Town Meeting March 12, 1963, act as auditors for the Jaffrey School District.

Article 8. It was voted that the School District raise and appropriate \$334,308.49 and to authorize and direct the School Board to apply against said appropriation such income as is estimated by the School Board exclusive of State Aid, and upon the determination of the amount of State Aid to be received by the School District during the next fiscal year, to authorize and direct the School Board to apply against such appropriation the sum to be received from State Aid and with the School District Clerk certify to the Selectmen the balance as an assessment to be raised by the Town for school purposes.

Article 9. It was voted that the School Board be authorized to make application for and accept on behalf of the District any or all grants forthcoming under Titles III, V or VIII, or any combination thereof, of the National Defense Education Act, Public Law 85-864 or any or all grants of other funds which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire under the provisions of the National Defense Education Act, or from any other public source.

Meeting adjourned at 9:48 p.m.

A TRUE ABSTRACT

MYRTLE J. HAZLETON

Clerk of the School District of Jaffrey

School District Warrant

To the Inhabitants of the School District in the Town of Jaffrey qualified to vote in district affairs:

You are hereby notified to meet at the Conant High School Auditorium in said district on the 9th day of March 1964, at 2:00 o'clock in the afternoon (Polis close at 9 p.m. unless otherwise voted), to act on articles 1 through 4. And you are further notified to meet at the same place on the same day at 7:30 o'clock in the afternoon to act on articles 5 through 13 hereof.

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose 2 Members of the School Board for the ensuing Three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, of Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors, and Committees in relation to any subjects embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize

the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will authorize the school board to make application for and to accept, on behalf of the district, any or all grants forthcoming under Titles III, V, or VIII, or any combination thereof, of the National Defense Education Act, Public Law 85-864 or any or all grants of other funds which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire under the provisions of the National Defense Education Act.

10. To see if the district will vote to place the funds previously voted under Article 8 in the Capital Reserve Fund for replacement of the school bus.

11. To see if the district will approve the purchase of a new school bus, authorizing the transfer and appropriation of such funds from the Capital Reserve Fund, as may be necessary, using the present district bus as part payment.

12. To see if the district will accept the provisions of Chapter 197, Section 1-a, of the New Hampshire Revised Statutes Annotated and elect its district officers at the annual town meeting.

13. To see if the district will approve of the extension of the public school health program to include the pupils at St. Patrick's School, as provided for in Chapter 200 of the Revised Statutes Annotated.

Given under our hands at said Jaffrey this 21st day of February, 1964.

Ernest J. Pratt
Anne B. Gordon

There were three changes and two additions to the staff at Conant High School when school opened in September, 1963. Mrs. Louise Grummon replaced Mr. Robert Devold, Mr. Randall Lowe replaced Mr. Guy Burrill, and Mrs. Wyona Roux replaced Mrs. Regina Devlin. Due to the increase in enrollment it was necessary to add another math and English teacher to the staff. There were no changes at the Grade School, except for the leaving of Mr. Rodney Contois to teach in Florida.

SCHOOL PROGRAM

Jaffrey Grade School

Prior to the opening of school in September a union-wide three-day meeting of all third grade teachers was held concerning the arithmetic program for the coming year. As a continuation of the in-service training program a series of staff meetings are being held for teachers of grades four, five, and six to prepare for the further development of our arithmetic instruction in the upper grades.

Many of our teachers took advantage of the Teachers' Institute in Mathematics sponsored by our Supervisory Union, while others had completed independent study at Keene State College in this and other subjects.

The program of modern mathematics, "The Math Workshop for Children", which was introduced in grades 1 and 2 in 1962-63, was extended into grade 3 for the present school year. This program is constantly being studied and evaluated.

To those of you who are curious as to the content of the "new mathematics", a brief word might be in order. The

primary difference between the "traditional" and "modern" approach is in the method by which the fundamental processes are taught. The former method tends to stress the mechanics of mathematics in contrast to the development of an understanding as to the "why" of mathematics, an approach which gives a more effective understanding of the more abstract mathematical and scientific experiences ahead.

In addition to the extension of the mathematics program, the reading program was updated by the addition of the '60 edition of the Scott, Foresman reading program in grade 2. The purchase of the newest books will be continued as they come on the market. In the time available Mr. Craig has continued the practice of giving extra help to the children who can profit from additional attention in reading.

In September 1963, because of the crowded conditions in the Rindge Memorial School, sixteen sixth graders from that town were enrolled in the Jaffrey Grade School. This number combined with 59 sixth grade boys and girls from Jaffrey made a total of 75, which was divided into three

heterogeneous groups. Having this large number of pupils made it possible to do more extensive grouping than is possible with fewer students. An "honor" group was established in both arithmetic and spelling.

Since last year's report two groups of sixth graders have attended Camp Sargent for one week. In May, a group was at camp with our sixth grade teachers, Roger Blaisdell and Rodney Contois. In November, another group was there under the direction of Mrs. Dorothea Hammond, Mrs. Louise Belletete, and Roger Blaisdell. This schedule gave one group a spring environment and the other a fall situation.

During the summer Mrs. Dorothea Hammond completed the necessary requirements for the degree of Bachelor of Education from Keene State College. The award will be made at the graduation exercises in June, 1964. This makes a total of five school personnel, who have qualified for a degree within the last few years.

Professional growth of other members of the faculty can best be illustrated by the chart below, which shows the courses taken.

TEACHER	COURSE	INSTITUTION
Mary Hamilton	Curriculum Development	K.S.C.
	Philosophy of Education	K.S.C.
	Modern Mathematics	K.S.C.
Roger Blaisdell	History of Latin America	P.S.C.
	Public School Administration	P.S.C.
Abbie Brown	Modern Mathematics	K.S.C.
Olive Lynch	Modern Mathematics	K.S.C.

During the fall Richard Allison and Mrs. Marianne Noyes, speech therapists at Crotched Mountain Rehabilitation Center, conducted a speech and hearing screening program in the first four grades. The results of this survey confirmed the impression of the staff that a number of children could profit from speech instruction by a person trained in this field. The school board voted to employ the services of a speech therapist from the center to conduct classes one-half day a week. The program started on January 15, and will continue for twenty weeks.

The music program of the school was climaxed by two outstanding events. In the early spring, the school presented the operetta, "Kathleen - Maid of Killarney" to full houses on the evenings of March 21 and 22. In May the Grade School band, supplemented by several students from the seventh grade, played in the concert at Conant and also marched in the Memorial Day Parade.

Conant High School

As we said in our report last year, Conant High School is growing. In September of 1963 that school opened its doors after the summer recess to what we believe to be a record number of 418 youngsters.

There seems to be little relief from these numbers for the future. In the past, there was always a small class of twenty-four or thirty-six that broke the spell of classes numbering fifty to sixty. Now, however, all classes have between sixty and seventy-five members. As an example, it is anticipated that sixty young people will graduate in June. These sixty graduates will be replaced by an incoming seventh grade of some 75 youngsters. Thus, it goes.

Not only are we gaining more youngsters each year, but we are "holding" more students than ever before. Conant High School was recently notified that its rating state-wide as far as dropouts were concerned was "very commendable."

If we were asked what we thought contributed to our "holding power," we would definitely add greater application of guidance procedures and our new shop program to any list of factors.

More and more youngsters are using the services of the guidance department. Being able to discuss academic problems and in some cases personal problems gives the young people a sense of security that so many of our young people are looking for.

Of the 32 graduates in June of 1963, eleven made application and were accepted at the two New Hampshire Technical Institutes. We believe that this record speaks for itself. When, in any shop program, a youngster can see a practical application of his academic sciences and mathematics, then most definitely are we on the right road.

With this holding power that we seem to have, it is quite imperative that we turn our attention to what we believe to be the most important of the "three Rs" -- reading. Perhaps many of you remember the great difficulties that some of your classmates had in this area. The problem is still with us -- and on a greater scale, since so many more youngsters are remaining in school.

Imagine the frustration that a young person has when he is faced with such courses as physics, contemporary problems, or advanced literature, especially if he is a poor or slow reader. We must constantly keep our sights on this reading problem. Whether it be an expansion of our developmental reading program, or greater stress on remedial work, or thought of a self-contained classroom for better integration of subject matter, we are not sure at this time. We are, however, extremely aware that the problem exists, and we must take the proper steps to alleviate it.

At this point we would like to interject sincere thanks to the W.W. Cross Company for contributing to our shop program. In the fall of 1962 the Cross Company gave to Conant a milling machine, a shaper, a turret lathe, two metal-spinning lathes, a reciprocal saw, a drill press and a grinder. Needless to say these machines were put to good use.

Our library has become an extremely important part of our school. To think that only a few years back we had no library site; now we have a fine library, an efficient staff, and almost two thousand volumes.

The athletic teams seem to be having greater success this year than other teams in recent years. The soccer team missed the tournament by a slim 0.06 of a point. At this writing the basketball team seem destined for tournament play and we are looking forward to a strong baseball nine. After the lean years, the change is a welcome one.

Perhaps during the winter some of you were entertained by our Glee Club or by the Conant Band. At Christmas the Glee Club sang for many of our local groups and organizations. It is quite remarkable that of an enrollment of some 275 in grades 9-12, better than a hundred are taking part in choral work or in band.

Through the courtesy of Ray Moore, we were supplied with a 1964 Ford for our Driver Training program. During

the first semester, thirty-one young people received the benefits of a formal course in driver education.

It is impossible for us to cover the many facets of the education picture of Conant. Many people have contributed to the successes of the school. To these people, we are deeply appreciative.

In these days when an education is so important, we cannot be satisfied with mediocrity. There is so much at stake.

We owe our young people the best that we can possibly give. This, we are sure, is what we all desire.

Clayton E. Craig, Principal Jaffrey Grade School
Henry L. Bremner, Principal Conant High School
Lewis F. Foote, Superintendent of Schools
Earl D. Barnes, Teacher Consultant

School Plant

PART III SCHOOL PLANT

A. RÉPAIRS

The summer maintenance force completed an ambitious program. At the Grade School the men painted our six classrooms, the kitchen, and four toilet areas. The windows were calked where necessary, in Union Hall as well as in the classroom section.

At Conant some six rooms, stairwells, foyer, and corridors were repainted. In the shop area, largely through the guiding hand of Ernest Pratt, a new electronics room was created. Tile flooring was laid in this area as well as in the music room.

All outdoor window sills in the Conant addition were waterproofed, and a section of the roof was repaired.

B. INSURANCE

Fire, Extended Coverage & Vandalism, buildings and contents
Conant High and Jaffrey Grade School \$612,000.00
Boiler Insurance, Property & Liability
Conant High and Jaffrey Grade School
Owners' & Tenants' Liability (Teachers and Public Liability)
Workmen's Compensation & Employers' Liability
Driver Training Car
District Owned School Bus

CERTIFICATES

TO THE BOARD OF SELECTMEN:

I certify that the above is a correct statement of the obligations authorized, and the amounts to be assessed to meet statutory requirements and appropriations made at the annual meeting of the Jaffrey school district held March 11, 1963.

July 26, 1963

/s/ Myrtle J. Hazleton
Clerk of the School District

TO THE STATE DEPARTMENT OF EDUCATION:

I certify that the above is a correct statement of the financial proceedings of the district for the school year 1963-64, and that copies of this statement have been filed with the chairman of the board of selectmen and entered in the

records of the school board in accordance with N.H. Revised Statutes Annotated, Chapter 197, Section 20.

School Board

PART V. CHILD ACCOUNTING

A. Graduations from High School

Thirty-two students, as compared with forty-five in 1962, and thirty-seven in 1961, were graduated from Conant High School in June, 1963.

William Allen, Ellen Bean, Wilfred Blais, Margaret Cestaro, Ernest Champney, Kenneth Daniels, Terry Davis, Terrinann DeBell, Dean Drew, Janet Duval, Paul Faford, Donald Fish, John French, Philip Hannan, Thomas Herrick, Charles Howard, Joseph Inferrera, Dorothy Jewell, Christopher Johansson, Nancy Jurva, Charles Krause, Carol Mackey, Marcia Moore, John Morton, Michael O'Connor, Charles Oliver, Karen Seppala, Weltha Smith, Sheila Speeney, Sandra Symonowicz, John Tribble, and Joyce Williams.

Of these twenty-six are furthering their education in institutions of higher learning, which include four-year colleges, prep schools, technical institutes, and nursing programs; two are employed; three have entered the Armed Forces, and one is married.

B. STATISTICS FOR THE YEAR ENDING JUNE 30, 1963

PART VI

AUXILIARY ACTIVITIES AND SPECIAL REPORTS

A. Health

Colds and digestive upsets presented the usual daily school problems, making it necessary for some 275 pupils to be sent or taken home. In addition there were 20 cases of chicken-pox and 10 cases of measles reported. A few cases of impetigo were excluded but were cleared up quickly.

Dr. Sterling, our school physician, examined 430 pupils in the odd-numbered grades. Special cases, and the members of the athletic and cheering squads. The doctor is available for consultation in problem cases, accident cases, and in planning general school health programs, including immunizations.

The school nurse does the vision and hearing testing and keeps a continual watch for any conditions which need special attention, including help with corrections of remedial defects in dental and vision cases.

The annual dental clinic, sponsored and subsidized by the Jaffrey Woman's Club, operates to the benefit of children who might not find dental services available to them. Sixty office appointments with Dr. Raymond Moore provided 172 fillings and 43 extractions for 30 different pupils.

Glasses for pupils, who might otherwise not have had them, were provided by the Jaffrey Community League. There were 57 pupils whose glasses did not need to be changed this year. Of 177 who did need them, 152 were able to be fitted. The 25 pupils, who perhaps need to be checked by an oculist, are still waiting because parents did not think it important enough for them to have examinations at this time.

The Immunization Program for all three types of polio was continued through the use of the Sabin Oral Vaccine. All pupils were offered the opportunity to have the Sabin Oral for long-term protection. Three separate drinks were needed, making the total number of 2292. For those who missed one or more of these three types of immunization another opportunity will be given later this year to complete the series.

The annual pre-school registration and examinations were held in May. At this time 41 pupils were registered for entrance in September. Data regarding regulations, facilities, school calendar, and administrative personnel was distributed. Health histories were completed and school records set up. Pupils were also checked for possible vision, hearing, or physical defects, with the hope that the parents could institute corrective measures during the summer. An opportunity for pupils and parents to visit the school is also provided at this time. Knowing pupils enables school administrators to plan classroom and school bus needs early in the summer.

During the year special problems arise. Apparent truancy cases are checked, clothing needs met and assistance given to special agencies to help with family problems. Mr. Stephen Buckley, school guidance director, has been especially helpful in many of these cases.

Approved professional meetings were attended by the nurse, including the following:

Organizational meeting at Peterborough
State Teachers' Convention, Manchester
School Nurse Professional Meetings, Concord, Monadnock
Regional School, Keene Cheshire County Nurses, and at Peterborough.

Work with Pupils:

Pupils examined	700
Defects found	779

Defects corrected	633
81% of defects	
Without apparent defect	533
76% of pupils	
Exclusions and taken home	275
To physicians, clinics, etc.	274
Home visits	367

To end the school year the Health Records were in order and up-to-date and the permanent records filed. The pre-school booklets were mimeographed and sent out and the pre-school examinations done and records complete.
